

2010 County Fair Banner Nomination Form

The theme of this year’s San Diego County fair is “Taste the Fun.” The fair will hang banners highlighting people in our community who have made a significant accomplishment in the culinary field. The banners will hang from the beginning of May through the end of the fair at the beginning of July.

Restaurateurs, chefs, caterers, cook book authors, culinary students and teachers are just suggestions for the many who can qualify for the honor. There are only 47 banners available and many who deserve recognition, so please take care in making your nomination. Please nominate only Peninsula residents or persons with roots in our community. Nominations are due February 15, 2010.

Nominee’s Name _____
