

Dear Point Loma Association Friend;

It is time for our 48th Annual Dinner! We hope you can join us on May 27th at the Kona Kai Resort, located at 1551 Shelter Island Drive. We will showcase and celebrate our latest accomplishments and hope you will be able to join us!

Our Annual Dinner is the Point Loma Association's primary fundraiser of the year and provides the much needed funds to start new projects, maintain existing projects, and expand our efforts in the community.

Your support of our Annual Dinner fundraiser in past years has enabled the PLA to continue to fulfill our mission of maintaining and improving the quality of life in Point Loma. We hope you will continue your support this year. Our fundraising component this year will be the popular Raffle of "Trees" of gift certificates. We will have two Retail Trees, two Restaurant Trees and a Liberty Station Tree. Our dinner guests will be purchasing raffle tickets toward the Tree of Certificates they wish to win. In addition we will have several silent auction items available.

Additionally, we are looking for Table Sponsors to help us make this dinner a success. Your commitment of \$1000.00 for a reserved table of ten will entitle you to acknowledgment on our posters and in the program. Your reservation is needed by May 1st in order to insure priority table placement. Please make your check payable to the Point Loma Association.

Thank you so much for your anticipated support in making this year's Dinner a great success! Please feel free to contact me by phone at 619-224-0858 with any questions. You can also email us via the website www.plaweb.org or at karancooper@cox.net.

Sincere thanks,

Karan Cooper
