Cigarette ashcan installation in partnership with "I Love a Clean San Diego". Natalie Roberts is the Director of Community Events [nroberts@cleansd.org] Friday, October 14th at 10:00 AM. This will follow a brief 45 minute work time in the Village. We will meet at the Lighthouse Bar and Grill located at 1101 Scott St. This location is one of six that will receive a receptacle. No butts about it !

Up-dated graffiti report – bus stop on Rosecrans near Laning

Beverly Neff from MTS [beverly.neff@sdmts.com] Read communication from Beverly to Cecilia

Tara Graviss – Community Association responsible for the maintenance of the green shelters along Rosecrans

Catalina Median Project

Application was made for the American Society of Landscape Architects Grant. It was advised to obtain future services from a member of ASLA. This would give us added points on winning the award.

A small portion of the Grant money, if awarded, would pay for the architect's fee.

Landscape architect – David Reed – Will not continue to be offering free service and wishes to be paid. What was his service and what is his fee?

Dan Johnson needs plant choices that are drought tolerant and will maintain under three feet.

City Ordinance Compliance – Celeste

San Diego River Park Foundation & manager of the Point Loma Native Plant Garden – Richard Dhu [richard@sandiegoriver.org] Manager of Programs and Coastal Reach Coordinator for SDRF – Read his note.
